

WV HOSA

“HOSA: A Student-Led Association of Future Health Professionals”

Dear Potential West Virginia HOSA Partner,

West Virginia (WV) HOSA extends to you an offer we hope you will not refuse. It is an opportunity to invest in future healthcare professionals.

WV HOSA is a student organization composed of over 1300 members, sponsored by the secondary Health Science Education Program, approved by the West Virginia Board of Education, and endorsed by the United States Department of Education. WV HOSA includes three divisions: the middle school division, the secondary (high school) division, and the postsecondary/collegiate division. Over eighty percent of high school members pursue further education in health and medical careers.

Each year, WV HOSA conducts a state leadership conference. Over 600 students, teachers, industry professionals, and guests are expected to attend this year's conference at Marshall University in Huntington on March 8-9, 2019.

The WV HOSA conference is an opportunity for **YOU** to invest in future health care professionals. Middle school students are exploring the many career opportunities available in the medical field, secondary students are working toward state and/or national certifications in areas of certified nursing assistant, phlebotomy technician, pharmacy technician, and EMT, just to name a few. Finally, postsecondary/collegiate students are working toward their goal of becoming a nurse, a medical assistant, a surgical technician, or even a doctor.

Please take time to read the enclosed information about becoming a partner with WV HOSA or advertising in the WV HOSA conference program. You may also visit the WV HOSA website at www.hosawv.org or the national HOSA website at www.hosa.org to learn more about this great student organization and the opportunities it provides to our future health professionals.

The conference registration/partnership form should be emailed or mailed to the state advisor by January 11, 2019. If you choose not to partnership with WV HOSA, you may wish to advertise in our state conference program. Please submit the page advertisement form to the state advisor by January 11, 2019.

Thank you, in advance, for taking part in the West Virginia HOSA partnership program.

Respectfully,

Loretta Thompson, RN
